PERSONALIZED VOUCHERS

We can also offer vouchers with a simple amount allowing for purchase vouchers in our establishments.

These vouchers may be valid for several days in the different areas where we are present.

Contact us, we are here to advise you.

GENERALES SALES CONDITIONS

These General Conditions of Sale are sent to the customer at the same time as the quote, to enable them to make their reservation. Any reservation therefore implies full and unreserved acceptance by the customer of these conditions, to the exclusion of any other document such as prospectus, commercial documents, etc.

Article 1: GROUP

Any entity of more than 20 people or calculated on the minimum basis of 20 people is considered a group. The chosen menu must be common to the entire group unless there is a specific diet.

Article 2: BOOKING GUARANTEE

When the customer makes a first request, the establishment makes a pre-reservation called an option. The option is a limited-time booking which gives customers time to think about committing to the contract. The option binds neither the client nor the establishment. The date for exercising the option is set by the establishment. The option only becomes reservation after payment of a deposit corresponding to 30% of the total estimated amount. The customer's confirmation of reservation implies his unreserved acceptance of these general conditions of sale. Any payment as a deposit will remain forfeited in the event of cancellation by the customer. A replacement solution must be validated between the two parties if in the meantime a confirmation cancels the option.

Article 3: PAYMENT TERMS

All invoices are payable either: by full pre-payment before the group's arrival, or upon receipt and at the latest within 30 days following their date of issue.

Article 4 : ASSURANCES

The establishment declines all responsibility for damage suffered, of whatever nature, loss or theft concerning effects or materials brought by the customer during their visit. The organizer is responsible for any direct or indirect damage that he or his guests may cause during the event.

Article 5: RESTORATION

The number of place settings must be confirmed in writing (mail, email or telephone) no later than 72 hours before the date of the service. Unless specifically agreed between the two parties, this number will be used as the minimum billing basis. On the day of the service, the group must arrive at the restaurant at the agreed time and with the number of people. In the event of a delay, the restaurant reserves the right to make the group wait. If this delay is more than 1 hour the reservation will no longer be guaranteed.
Corkage fee (champagne or wine): €15 per bottle.

Article 6: CONDITIONS AND CHANGES IN PRICES

The rates in effect on the date of reservation are firm and final from payment of the deposit.

Article 7: TOTAL CANCELLATION

In the event of withdrawal 2 weeks or more before the date of the service, no penalty will be charged.
Less than a week before the scheduled date will be invoiced at 50%. The full price including tax will be required in the event of cancellation on the same day.

Article 8: PARTIAL CANCELLATION

If the partial cancellation occurs less than 72 hours before the scheduled date, the service will be billed at 50% for the missing people. If the partial cancellation takes place on the same day, all reservations initially planned are due.

Article 9: CASE OF FORCE MAJEURE

Depending on weather conditions (snow, wind, etc.) or other force majeure (technical breakdown, etc.), Compagnie Du Mont Blanc may be required to cancel the ski lift service on the day of your arrival. As a result, the catering service may be canceled the same morning. The deposit will therefore be refunded to the customer.

Article 10: DISPUTE

In the event of a dispute and without an agreement reached with the establishment, you can call on the consumer mediator: AME, 11 Place Dauphine, 75001 Paris.
